

Duty of Care

Duty of Care has become the most important topic in this new world of Covid-19. When employees travel on company business, companies and organizations have a legislated responsibility to ensure traveller safety.

Uniglobe Travellers Emergency Hotline

Offering your travellers the highest level of service.

This North American based service operates 7 days per week, 24 hours per day, 365 days per year. For after hours assistance or while travelling, clients access the service by either calling a 1-800 number in North America or calling collect from anywhere in the world.

Supported by a Dedicated Travel Team

All travel arrangements whether booked on-line or via full service would be backed by an experienced and dedicated senior travel advisor, specifically assigned to your account. We are not a call centre and there is no queuing up, we actually answer the phone.
