# Benefits

1. We're allowing unlimited changes on all new bookings to give you more freedom and flexibility.
  2. We're the first airline in the world to vaccinate 100% of all pilots and cabin crew on board against COVID-19.
  3. A specially trained team of Wellness Ambassadors on-board and available 24/7 online to help and share advice.
  4. We've refreshed our meal service. All of the food we prepare goes through vigorous testing, and we serve it in line with strict COVID-19 guidelines.
  5. We've refreshed our cabins with new seat covers and carpets. Our aircraft are also equipped with HEPA air filters which capture 99% of airborne microbes.
  6. We deep clean and sanitise all of our aircraft on arrival at each destination.
  7. We've introduced additional deep cleaning and sanitisation at every point of your journey.

# Safety precautions

Your wellness will always be our priority. We're the only airline in the world to make COVID-19 testing mandatory before every flight. Since August 2020, 100% of our guests have tested negative before they fly and for extra peace of mind we've included COVID-19 cover with every ticket.

From additional deep cleaning and complimentary wellness kits, to Wellness Ambassadors available 24/7; we're taking extra steps to make sure you feel safe and well when you travel. Always check the latest travel regulations before you fly.

- We're the first airline in the world to vaccinate 100% of all pilots and cabin crew on board against COVID-19.
- All our guests test negative for COVID-19 before they fly with us.
- Our cabin crew wear personal protective equipment at all times and are all vaccinated against COVID-19.
- Our Wellness Kits are now available on board for all guests, including a face mask, gloves and hand gel.
- COVID-19 global wellness cover is included with every ticket for travel up to 30 September 2021.
