

APPROVED HOTEL

We are happy to advise that South Beach Hotel has been inspected by the Ministry of Health and has been approved as a 'Designated and Approved Hotel' to accept guests from high-risk countries.

QUARANTINE PROTOCOLS

New protocols are effective from May 8, 2021 and the following applies to:

VACCINATED TRAVELLERS

Summary: Restricted to property prior to 2nd Test

Vaccinated guests are mandated to stay in approved accommodation until receipt of their on-island COVID-19 test. Results take approximately 24 hours to be returned.

On arrival guests will be able to move around the resort freely. Vaccinated guests will be able to use the resorts pools and restaurant and upon receipt of a negative result from their on-island PCR test, guests will be allowed to leave the resort to enjoy the island.

Please also note that whilst awaiting the results of their on-island PCR Test vaccinated guests will not have access to the beach area, the gym and in-room spa treatments.

Important

Fully Vaccinated means: A person who has received both shots of any vaccine or one shot of the Johnson & Johnson vaccine, and 14 days have passed before arriving on the island. Any party of persons composed of fully vaccinated and unvaccinated or non-fully vaccinated persons travelling together will be treated as non-vaccinated in keeping with the national protocols. Children will be deemed the same status as their parents.

UNVACCINATED TRAVELLERS

Summary: Restricted to room for minimum of 5 Days

Unvaccinated guests are mandated to stay in approved accommodation for 5 nights, after which they are required to take a second PCR test. Test results may take 24 – 48 hours to be returned.

Please also note that in accordance with current COVID protocols unvaccinated guests are required to stay in their rooms prior to the confirmation of a negative result of their mandatory second test. Additionally, it is a requirement for guests to provide the Ministry of Health with twice daily temperature checks and we recommend bringing your own thermometer.

Breakfast will be served via room service with no additional charges. There is an all-day menu available from the on-site restaurant until 5.30pm, however lunch or dinner can also be easily ordered in and delivered to your room from many different local restaurants in the area. Guests arriving after 5.30pm are recommended to contact us prior to arrival for dinner arrangements on their first night.

An grocery delivery service is also very popular and can be arranged prior to arrival, please feel free to email concierge@southbeachbarbados.com for details.

Housekeeping service will be on request. Staff are not permitted into occupied quarantine rooms. Linen, towels and other supplies will be provided to the guest room door.

It is **HIGHLY RECOMMENDED** that unvaccinated guests advise us prior to arrival to ensure that quarantine protocols can be pre-booked and arranged ahead of arrival.

CHANGES TO GENERAL HOTEL SERVICES

Housekeeping service will be provided every three days unless requested daily. Staff are not permitted to be in the room when guests are present.

Guests should also note that the hotel operation and its implementation of the hotel's COVID protocols are guided by the Ministry of Health of Barbados, and services may be affected due to mandatory government policies. We apologize in advance for any disappointment caused due to any disruption of our services but will endeavor to provide the highest level of service possible through this difficult time.

Guests are required to ensure that they maintain physical distancing, wear masks when in public areas and wash or sanitize their hands regularly.

ADVANCED CHECK IN

We strongly advise all guests to complete their check-in form in advance to ensure an expedited check-in with reduced contact. Prior to arrival, please complete this form <https://www.southbeachbarbados.com/advance-check-in> and read our **StaySafe protocols** which are available on our website.
